

Improve the odds of winning public tenders

The Go-2-Tender programme, delivered by InterTradeIreland, has been designed to help businesses across Northern Ireland and Ireland to become more successful in bidding for and servicing public sector contracts.

Through insightful workshops and one-to-one, company specific mentoring, the programme will arm your business with the know-how to increase your success rates in public sector tenders.

Take advantage and give your business the edge today.

Specialist support through tailored workshops

Each Go-2-Tender workshop is delivered in two half-day sessions, taking place on consecutive days.

Workshops will be sector focused, opportunity driven and specifically tailored for the following industry sectors for both Northern Ireland and Ireland:

- Construction
- Supplies and Services
- Health
- Consortia and Joint Ventures.

All workshops cost £50/€58 per participant, offering you best-in-class guidance at a highly competitive rate.

To be eligible, your company must:

- Be classified as an SME (as defined by the EU)

- Operate predominantly in the Manufacturing or Tradable Service sectors
- Be able to demonstrate its commitment to the public sector tendering market.
