InterTradelreland has been helping small businesses in Ireland and Northern Ireland explore new cross-border markets, develop new products, processes and services and become investor ready over the last 20 years. Our services include supports for sales growth and innovation, business funding and business insights to SMEs across the island, North and South.

Post-Brexit Supports and Advice

We have the practical support your business needs to navigate the new trading environment. We can provide you with funding up to £2,000 / €2,250 for professional advice in relation to post-Brexit supports and advice. This means you can develop an action plan to benefit your business which will help future-proof it. Our team can also keep you informed with the latest news, research and updates.
